

KOHAN SERVICES Pty. Ltd.

www.kohanservices.com

Design, Engineering, Manufacturing & Project
Management

History:

KOHAN SERVICES is a Market Leading in Design & Engineering Practices aimed for Quality and Innovation. Since it was established in 2008, Kohan Services has been involved in some major Government and privately funded infrastructure, Power, Mining & Marine projects.

Our Mission:

Solving problems through Innovative Design, Simplicity & Efficiency

Finding One Stop Shop

As per Survey, 90% Companies complain about not finding one place where they can get Turnkey solution to their projects.

Managing multiple Subcontractors and suppliers cost lots of money and time.

Lack of communication between individual teams cause delay in projects.

At Kohan Services, We are here to HELP.

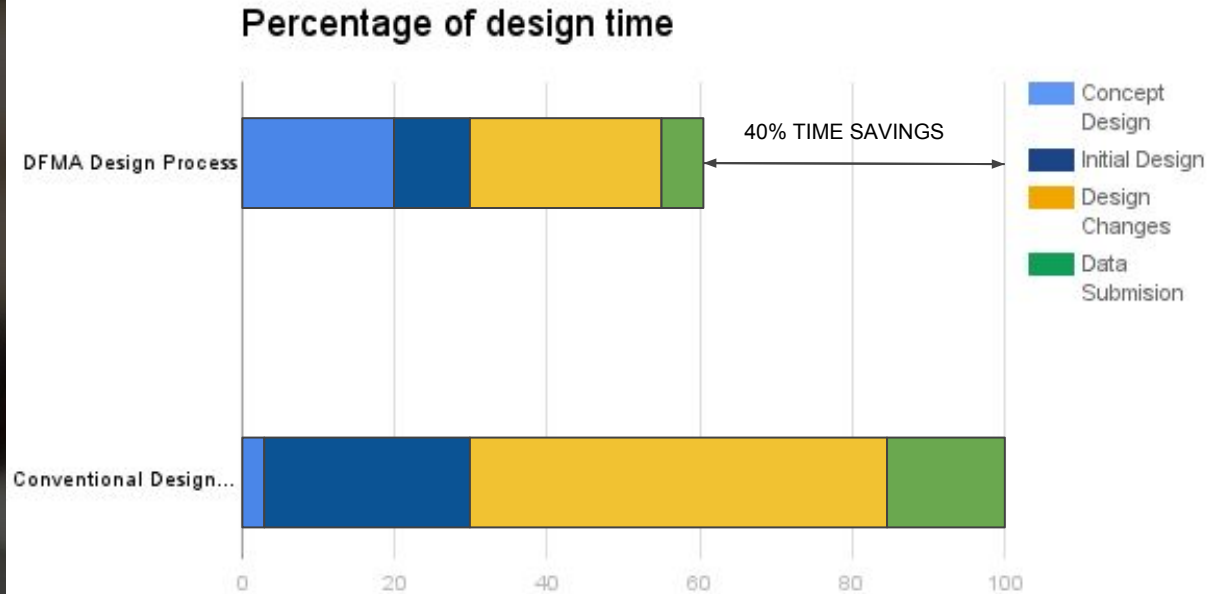

We Provide:

- 1) *DFMA (Design For Manufacturing and Assembly)*
- 2) *Drafting*
- 3) *Engineering (Structural, Mechanical, Civil & Marine)*
- 4) *Prototyping &*
- 5) *Manufacturing*

A complete Solution for quality product. We will work with you to achieve your project goals.

The solution

Have a Project in Mind?

Have something in mind you like to discuss?

Either Pick up the Phone and give us a call or just send an Email, One of our Team members will get in touch with you to arrange a day and time to meet face to face and discuss it further.

The team

With more than 20 years combined industry experience there will be a way we can help you, We are sure of it.

Mahdi M.Kohan
